

BUILDING HEALTHIER COMMUNITIES TOGETHER

November 27th, 2019

8:30 am to 3:00 pm

Fort Calgary, JOW Gallery

Let's have an air quality conversation. This conversation will center on taking air quality into consideration with land planning and developing communities with regards to health and wellness. Join us for a well-rounded discussion that will include speakers from Land Developers, Environmental Consulting Groups, Municipal Land Planners, Alberta Health Services and CRAZ.

Calgary Region Airshed Zone (CRAZ) is a non-profit, multi-stakeholder organization that monitors and analyzes air quality information. CRAZ's stakeholders include Municipalities, Industries, NGO's, Government and the public. The CRAZ region extends to Banff and the BC border, Airdrie, Wheatland County and Strathmore, and to High River, Granum area.

For more information on CRAZ please visit our website at craz.ca.

FOCUS ON
AIR QUALITY
